

CALL FOR PRESENTATIONS

23RD ANNUAL AALSO SYMPOSIUM IN ST. LOUIS, MO

AALSO

AQUATIC ANIMAL LIFE SUPPORT OPERATORS

March 12TH – March 15TH, 2017

The 23rd AALSO Symposium & Workshop will be hosted by the Saint Louis Zoo!

- We are **now accepting abstracts** for both the Oral Lecture and Poster Presentations. With a large variety of experience levels in attendance, from entry level operator to battle-tested director, presentations are solicited to cover an array of topics. Program session topics may include but are not limited to the following:
 - ◆ Water Quality / Chemistry
 - ◆ LSS Equipment / Instrumentation / PLCs
 - ◆ Industry Innovations / Technique advances / Best Practices
 - ◆ Dive Safety Operations
 - ◆ Resource Conservation / Green Practices
 - ◆ Institutional Updates
 - ◆ Dirty Laundry*

* “Dirty Laundry”: This section of the lecture series will highlight those chaotic crisis moments and what was done to fix it and save the day. Over the past few symposia, this section has been the operator’s favorite.

- Presentations are to be 20 - 25 minutes in length, check presenter guidelines for more details.
- **NO REGISTRATION FEE FOR OPERATOR LECTURERS!**
