Position	Life Support Technician
Facility	Oklahoma City Zoological Park & Botanical Garden
Location	Oklahoma City, OK
Job Summary	<p>The Oklahoma City Zoological Park & Botanical Garden is a fully accredited member of the Association of Zoos and Aquariums and the American Association of Museums. The Zoo cares for a diverse collection of plants and animals on a 120 acre campus. We enjoy strong community support and an annual attendance in excess of 1,000,000 guests. The Oklahoma City Zoological Park & Botanical Garden is financially strong, and is actively implementing an exciting master plan.</p> <p>The Oklahoma City Zoological Park & Botanical Garden is seeking an enthusiastic leader to join the animal care team to maintain the welfare of the Zoo's assigned animal collection and its environment. The ideal candidate must have the ability to establish and maintain effective working relationships with staff at all levels and possess excellent communication and organizational skills to function effectively in a team environment.</p> <p>The Life Support Technician interacts with the public and enhances visitor experiences. Under the direct supervision of the Assistant Curator, this position performs a variety of skilled/semi-skilled work required for the care and safety of animals, staff, and the public. This position has the knowledge, skills and abilities to perform all operational requirements in the assigned area responsibilities as directed by the Assistant Curator and/or Curator.</p>
