

Position	Life Support Systems - Swing Technician
Facility	Riverbanks Zoo & Garden
Location	Columbia, SC
Job Summary	Maintains logs for all aspects of the dive and LSS program while participating in continuing education training for dive and WQ duties. Adheres to and assists in implementing dive and LSS safety policies and procedures. Will also continuously look for new and innovative ways to improve the programs and present to the Life Support Systems Manager. Will split time into dive and LSS duties.
Essential Functions	Dive: Under general supervision will provide the role of diver, tender, dive person in charge and first responder under the regulations for commercial diving as outlined by OSHA. Will also be responsible for daily dive operations as well as conducting daily inspections on a variety of dive equipment to include: regulators, OTS full face masks, dive fill stations, dive compressors, cylinders, etc. Participates in practice exercises and drills focused on diver well-being. LSS: Will be responsible for daily LSS operations as well as conducting daily inspections on a variety of LSS equipment to include: protein fractionators, biotowers, pumps, filters, sump baskets, etc.
Other Duties and Responsibilities	Ambassador Commitment: Create meaningful connections and inspire actions that will have a lasting impact on conservation.
Knowledge, Skills and Abilities	The ideal candidate will be a safety conscious diver who is mechanically inclined. Will also enjoy working within a collaborative environment and be a team player who will productively engage with others at varying levels of seniority. Must be organized and have excellent written and verbal communication skills with a very high standard for service. Will be able to handle multiple projects simultaneously and possess thorough knowledge of current computer applications to include MS Office Suite.
Education & Experienced Required	Bachelors degree in Biological Sciences required; or any equivalent combination of education, training and experience which provides the required knowledge, skills and abilities. Experience working in an AZA accredited institution preferred.
Licenses and Certifications Required	Open Water Dive Certification from a nationally accredited organization required. First Aid/CPR, AED, and O2 administration certifications are desirable. Must possess or be eligible for a valid SC driver's license.
Physical Requirements	Must be able to pass a dive medical evaluation and be able to lift and carry up to 70 lbs. repeatedly.
Working Conditions	
Salary	\$12.62-14/hour
Respond To	Please submit your application via the Riverbanks Zoo and Garden website: http://www.riverbanks.org/join-our-team/
