

Position	Pool Maintenance Worker
Facility	Woodland Park Zoo
Location	Seattle, WA
Job Summary	Come join Woodland Park Zoo as a Pool Maintenance Worker! In this role, you will operate and maintain the zoo's aquatic life support systems. You'll also coordinate with the animal management and maintenance personnel for the routine maintenance of the systems to ensure a healthy environment for the animals. There is one regular, full-time, benefited position available.
Essential Functions	- Clean, operate and maintain the zoo's water features and aquatic environments and related mechanical equipment. - Coordinate with animal care staff on access to exhibits, work orders, and special requirements/restrictions due to animal health and safety concerns. - Perform chemical level tests and maintain records of results, add necessary chemicals to maintain water quality and calibrate test equipment. -Operate, clean and monitor condition of heating boilers and related systems, air conditioning equipment, electrical panels, electrical timing-controls, motors and pumps. -Perform other related duties of a comparable level/type as assigned.
Other Duties and Responsibilities	
Knowledge, Skills and Abilities	-Basic knowledge of pool maintenance and water sanitation methods and techniques, including skill in disinfecting plant facilities, filtering, back-washing and alkalizing required. -Knowledge of heating boilers and their operation, and the operation and maintenance of heating and air-condition equipment, electrical panes, electrical timing-controls, motors and pumps is required. -Commitment to the zoo's mission and Core Values.
Education & Experienced Required	-One to two years related experience and/or training; OR - Bachelor's degree from an accredited four-year college or university; OR -Equivalent combination of education and experience.
Licenses and Certifications Required	-Valid WA driver's license with a safe driving history is required. - Confined Space Entry permit is required. -TB test required annually.
Physical Requirements	-The employee must regularly lift and /or move up to 10 pounds, frequently lift and/or move up to 25 pounds and occasionally lift and/or move up to 75 pounds. -Reasonable accommodations may be made to enable individuals with disabilities to perform the essential functions.
Working Conditions	-While performing the duties of this job, the employee is regularly exposed to wet or humid conditions (non-weather) and variable weather conditions; works near moving mechanical parts; and vibration. -The employee is occasionally exposed to work in high, precarious places; fumes or airborne particles; toxic or caustic chemicals and risk of electrical shock. The noise level in the work environment varies from moderate to loud.
Salary	\$25.86 per hour, plus benefits
