**ABOUT THE NATIONAL AQUARIUM** Recently named one of Baltimore's Best Places to Work, the National Aquarium opened in 1981 as a nonprofit aquatic education and conservation organization, the jewel of the city's Inner Harbor redevelopment. SmartCEO Magazine honored the National Aquarium with the Healthiest Workplace award and the Corporate Culture award in 2016. With a mission to inspire conservation of the world's aquatic treasures, the Aquarium is consistently ranked one of the nation's two top aquariums and has hosted over 51 million guests since opening. Today, the National Aquarium builds on a 38-year history of local, regional and global conservation initiatives that provide real solutions for protecting marine life, ecosystems and aquatic communities. Its Animal Rescue team has rescued, rehabilitated and released hundreds of marine mammals and endangered sea turtles throughout the Mid-Atlantic region. Its Animal Welfare and Science teams participate in important research efforts to confront pressing ocean conservation issues and advocate for smarter policies at local, state and federal levels. Through education, research, conservation action and advocacy, the National Aquarium is pursuing a vision to change the way humanity cares for our ocean planet.
